Oh Jeepers! My heart is thumping so loud I can't hardly breathe.

Toto, Toto.

No need to be scared anymore. She ain't followin' us. I won't let her touch you nohow. Toto! Toto!

There you go. Did she hurt you? She tried to, didn't she? Oh Toto.

She must be the meanest old woman that ever was.

Let's go tell Uncle Henry and Auntie Em. They'll take care of Her.

Come on Toto.

# Wicked Witch

Very well, I'll bide my time and as for you, my fine lady, it is true I can't attend to you here and now as I'd like.

But after a suitable period of mourning, I will have those slippers and my revenge too.

So best try to stay out of my way. Just try! I'll get you eventually, my pretty... and your little dog, too!

# Glinda

---

It's all right. You can all get up.

Pooh – what a smell of sulphur!

I'm afraid you've made rather a bad enemy of the wicked witch of the west. The sooner you get out of oz altogether, the safer your sleep my dear.

# Scarecrow

---

Witch? Huh! I'm not afraid of witch! I'm not afraid of anything... oh, except the lighted match

But I'd face a whole box full of them for the chance of getting some brains.

Look - I won't be any trouble, because I don't eat a thing, and I won't try to manage things, because I can't think. Won't you take me with you?

# Tinman

---

My, my, my my goodness, I can talk again! Oh – oil my arms, please oil my elbows. Oh! Oh!

It feels wonderful. I've held that axe up for ages.

When I was flesh and blood like you, I fell in love with a Munchkin maiden whose mother hated me.

So to stop me from marrying her daughter she hired the wicked witch of the west to put an evil spell on my axe.

# Lion

---

Hah! Put 'em up! Put 'em up!

Which one of you first? I'll fight you both together if you want.

I'll fight you with one paw tied behind my back! I'll fight your standin' on one foot!

I'll fight you with my eyes closed!

Oh, pullin' an axe on me, eh? Sneakin' up on me, eh? Why?

# OZ

---

I am Oz, the great and powerful. Who are you?

The great and powerful Oz knows why you have come, step forward.

(As the professor)

Why, anybody can have a brain. That's a very mediocre commodity.

Back where I come from we have Universities – where men go to become great thinkers. And when they come out, they think deep thoughts, and with no more brains than you have.

But – they have one thing you haven't got – a diploma!
